

Prompt

A fast-paced racquet sport that is extremely popular in Indonesia, requiring agility and precision

Explanation

This refers to badminton, so the image should include a badminton shuttlecock and a racquet

Edit Prompt 1

Modify the tennis ball by replacing it with a badminton shuttlecock, with the shuttlecock's impact point positioned closer to the racket.

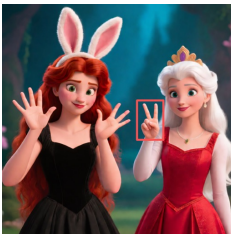

Edit Prompt 2

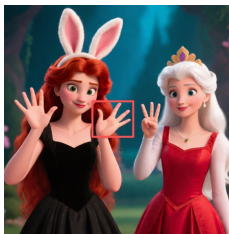

Modify the tennis racket by replacing it with a badminton racket.

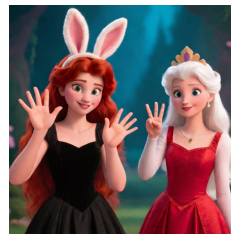

A red-haired princess wearing a black dress stands, raising both hands in front of her chest with open palms. Beside her, a white-haired princess in a red dress makes a clear "three" gesture with her right hand.

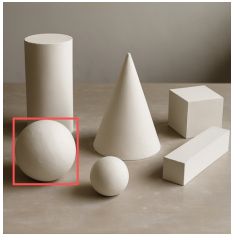

Modify the right-hand gesture of the girl wearing the red dress, changing it from a "two" gesture to a clear "three" gesture.

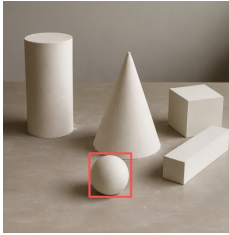

Modify the left hand of the girl wearing the black dress, changing it from four fingers to five fingers.

A laboratory table displaying one plaster model each of a cylinder, sphere, cone, cube, and rectangular prism, with the cylinder being the tallest object and the sphere being the shortest.

Delete the larger of the two spherical plaster models, keeping the smaller sphere

Modify the spherical plaster model by reducing its size so that it becomes shorter than the rectangular prism.

Prompt
