"Keep **face** and **hand** centered in frame to establish the moody pose. Keep **red_chair** in the view to establish the **sit_on** relationship"

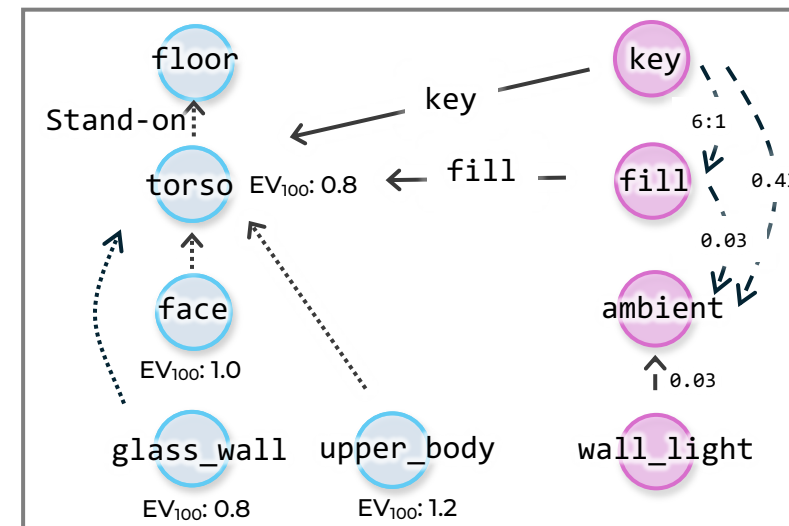

Photographic Scene Graph (at stage start, simplified)

Stage constraint (generated by MLLM Judge):

Photographic Scene Graph (at stage end, simplified)

"Keep **face** and **upper_body**, **glass_wall** within roughly ± 2.5 EV latitude. Avoid washing out while preserving the mid-to-low-key tone of the minimalist interior scene. Add a soft, warm **key light** from high [...]"
